

AERO CLAD® for Freightliner® Cascadia®

Hendrickson **AERO CLAD®** bumpers for Next Generation Cascadia tractors offer a bright mirrored finish that is both lightweight and durable. Unlike traditional chrome or painted bumpers, AERO CLAD bumpers resist corrosion, cracking, pitting, peeling and fading. In addition, AERO CLAD bumpers offer greater ground clearance compared to the OEM plastic option to help reduce maintenance due to high curbs, snow drifts or uneven inclines. Backed by a 5-year warranty*, AERO CLAD bumpers offer the quality and reliability that customers have come to expect from Hendrickson.

* Contact your local Hendrickson representative for complete warranty terms, conditions and limitations.

* Conversion from an OEM plastic bumper to AERO CLAD requires the corresponding screens, four screen mounting brackets and radar system mount bracket, if equipped. Mounting brackets, screens, associated hardware and installation instructions are available from your Freightliner dealer.

Actual product performance may vary depending upon vehicle configuration, operation, service and other factors.

All applications must comply with applicable Hendrickson specifications and must be approved by the respective vehicle manufacturer with the vehicle in its original, as-built configuration. Contact Hendrickson for additional details regarding specifications, applications, capacities, and operation, service and maintenance instructions.

Call Hendrickson at **815.727.4031** for additional information.
