815SL/1	7" x 9.5" flat mirror glass with Left signal LEDs
815SR/1	7" x 9.5" flat mirror glass with Right signal LEDs

**For Heated Mirrors, Add "H" to the End of All Part Numbers Without a "/"
or Add "H" in Front of the "/" When Present.**

General Product Information

AccuStyle:

The AccuStyle® mirror is a versatile and uniquely stylized product with application in nearly every industry. The AccuStyle® mirror head can be mounted on mirror arms which are 3/4" O.D. tube up through 1-1/8" O.D. tube via the removable clamp cover on the back of the mirror shell – making OEM installation as well as aftermarket retrofit a breeze. The AccuStyle® mirror can be mounted on a traditional arm or “loop” (two-point mount), or can be a single point overhang or upright mount. Finishes are available in black and chrome.

Warranty Information

We warrant that all ROSCO mirror, camera, sun visor, and electronic vision products are free from defects in workmanship and materials for a period of ONE (1) YEAR (unless specified longer) from the date of receipt of the product. During the warranty period, we agree to provide a replacement for (or at our option repair) any ROSCO product and/or any one or more component parts of a ROSCO product, which malfunctions under normal use and service.
