

# ALLIANCE PARTS

## Alliance Truck Parts Shock Absorbers

Alliance Truck Parts Shock absorbers are available for most truck makes and models.

Product Highlights

---

Super-Finished Chromed Piston Rods – the best defense against corrosion: inhibits rust, minimizes deterioration, reduces the amount of wear on the seal, and increases the life of the shock.

Formulated Shock Oil for reduced fade and to carry heavier loads over rugged terrain for longer period of time.

Super-Rugged Solid End Mounts – Tough as nails, cold formed solid steel eye ring with a 360° reinforced arc weld to provide superior structural and tensile strength - superior structural integrity greatly reduces end mount failures.

Rugged, self-compensating Piston Seal for consistent damping ability, increased control capabilities at low velocities, and reduced fade throughout the shock life.

D.O.M. (Drawn-Over-Mandrel) tubing reduces internal wear.

### Top Movers - Alliance shocks

Material Number	Material Description
GBL 85724	SHOCK ABSORBER
GBL 85918	GABRIEL SHOCK
GBL 83038	CAB SHOCK ABSORBER
GBL 85958	SHOCK ABSORBER
GBL 85320	SHOCK ABSORBER
GBL 85006	SHOCK ABSORBER
GBL 85920	SHOCK ABSORBER
GBL 83009	SHOCK ABSORBER
GBL 85901	SHOCK ABSORBER
GBL 85043	SHOCK ABSORBER
GBL 83047	SHOCK ABSORBER
GBL 85007	SHOCK ABSORBER
GBL 89408	GASSLX SHOCK
GBL 85319	SHOCK ABSORBER

## General Product Information

### Detailed product description

No one understands ride control like Gabriel®. In 1907, we created an entire industry around it. And we've been manufacturing and supplying shocks to the heavy-duty industry for over 50 years. Our HD product designs don't just look good on paper; they've been proven on and off pavement for five decades, time-tested and improved based on real-world use and the increasing demands of fleet operators. So, you can be confident they'll perform as expected – mile after mile, job after job.
