Coolant Heaters Fuel Fired Auxillary Heaters

Product Highlights

Why Webasto?

Experience the ultimate in comfort and convenience with Webasto's advanced heating solutions for Daimler Trucks. Featuring rapid and efficient heating performance, you can say goodbye to cold starts and enjoy a cozy cabin in any weather. With customizable settings, you can tailor the temperature and airflow to your preferences, ensuring personalized comfort on every journey. The intelligent climate control system continuously monitors and adjusts the temperature, while optimizing fuel consumption for cost savings. Built to withstand extreme conditions, Webasto heaters offer reliability and durability, providing warmth and peace of mind on the road. Upgrade your Daimler Truck with Webasto and elevate your driving experience today.

Customized Comfort: Daimler Trucks understands that each driver's preferences vary, which is why Webasto's heating solutions offer customizable settings that let you tailor your cabin's temperature and airflow to suit your individual needs. Get ready to experience the perfect balance of warmth and fresh air, enhancing your driving pleasure mile after mile.

Fuel Efficiency Redefined: Webasto understands the importance of efficiency in the trucking industry. Their heating solutions are designed to optimize fuel consumption, helping you reduce costs without compromising comfort. With Webasto, you can achieve remarkable savings while enjoying exceptional warmth and performance throughout your journey.

Top Movers - Webasto Heaters

Material No	Material Description
WNA 50900126A	TUBE FLEX SS 22MM X
WNA 50487171A	FUEL FILTER
WNA 406287	Overheat sensor w/ fusible link
WNA 5088641A	NOZZLE 0.35GPH 60 DE
WNA 5011623A	TIMER CONVERSION KIT FROM 5010633A
WNA 1311551A	TTC.16 12V HEATER OL
WNA 5001111A	KIT AT0000T 12V CLEVER

WNA 901203	TERMINAL HD PIN CONT
WNA 906017	CIRCULATING PUMP
WNA 9023133A	TERMINAL FEMALE 0.63-BULK 50
WNA 5010633C	KIT-SMARTEMP CONTROL FX 2.0
WNA 101838	COIL IGNITION 12V (2
WNA 5015527A	TUBE FLEX SS 38MM X 1MW/ENDCAP

Warranty Information

- The warranty period for Webasto heaters and rooftop air-conditioners, as well as for Webasto replacement parts for such equipment and systems, shall equal 24 months.
- The warranty period shall run as from the day on which the equipment is installed or on which the vehicle in which the new equipment is installed is licensed for the first time, and shall in all cases end 24 months after delivery of the equipment, systems or replacement parts.
