The Original Clearance Sensing Brake Adjuster

Haldex AA1 Automatic Brake Adjusters +

- Constantly maintains brake lining to drum clearance
- Completely sealed to prevent corrosion from entering rubber boots
- Grease fitting makes for easy & smooth new grease application
- Adjusts on brake release to minimize wear & tear on gears
- Installation indicator confirms correct installation
- Heat-treated components reduce internal wear and provide longer service life
- Compatible with all major brand clevises
- Chrome-moly gears and a buttress tooth configuration on the gears reduce stress and prolong service life
- 1,000,000 Mile, 6-year on-highway warranty

Haldex S-ABA Automatic Brake Adjusters

- Incorporates all AA1 high standard features
- Centralized clutch and unique self-setting design
- Visual Stroke Indicator(VSI) options available for installation identification & out-of-stroke condition
- Allows for control arm to be set at any angle from -16° to 124°
