General Product Information

Premier Vision Solution

The Moto Mirror product has been known for decades as the premier vision solution for trucks. The combination of unique motorized, horizontal head movement, superior construction and classic styling continues to make Moto Mirror's mark on the industry. The motorized head means improved visibility and range of view over manual or simple glass movement mirror heads.

The Moto Mirror line also includes our Prutsman and Road Scan products. The Prutsman product line is comprised of simple, effective, traditional-style mirrors including west coast, convex and tripod mounts.

Warranty Information

Limited Warranty: 3 Years
