Buyer Objections and Seller Response

What differentiates your product from other aftermarket competitors?

Skyline is the leading OEM alternative, supplying products made with Exact-Fit Design, available as a coreless option for Detroit and all-makes and models. Give your customer the option of supplying the DOC/SCR, the DPF on it's own, or the DPF kit with clamps and gaskets.

Is there a core charge?

No, all products are new without an associated core charge.

Are your products available for sale in California?

No, at this point in time no aftermarket products in this category are allowed to be sold in California.
