Alliance Transmission Clutch Bundle

Alliance Trans Clutch Bundle

Product Highlights

Recovery process uses OEM approved processes.

Complete disassembly, while maintaining original components together.

Two-step, proprietary process: steam cleaned, washed, shot peened, and wipe washed.

All parts Magnetic Particle inspected, allowing internal component damage to be seen.

Core, gear, and shafts measured to exact OEM specifications.

All wearable items are replaced with new.

Every product is thoroughly tested for the quality of the build and performance.

Transmission dynamo-meters digitally record each product operation by individual serial number.

Two-year, nation-wide warranty on all manual transmissions- unlimited miles.
