

ALLIANCE PARTS

Alliance offers a complete line of Hydraulic Bottle Jacks that come in 12, 20 and 32-ton standard sizes with the option of choosing the low boy feature. These powerful Jacks are ideal for the heavy truck industry making large loads easy to lift. Our Bottle Jacks are constructed of high-grade steel and built to exact standards for quality and durability.

Product Highlights

Manufactured from high strength materials to ensure durability

Offers from 12-ton to 32-ton capacity rating

The low boy models provide additional clearance from the standard height

Top Movers - Alliance Hydraulic bottle jacks
